Dear Parents/Carers,

We would like to welcome you all to Honey Pot, whether you are a new parent or a returning one! We are looking forward to a busy Autumn term ☺ what a brilliant first week back we are having! The children have all been little stars and are already settling in well and building new friendships. It is also lovely to see our returning children too and look forward to the fun of Autumn term together. Please remember to send your child with the appropriate clothing to match with the ever changing weather.

### Bags and belongings

Please name your child's bag on the **outside** as this makes them a lot easier to find quickly! Please can we also ask all clothing and wellies are named. ☺

### 2Simple & Pupil Asset

For all new parents you should have received an invitation to join our observation app 2Simple, and our pupil asset system to be able to receive information regarding your child. 2Simple is where we upload all of our observations and you are able to submit your own observations too, we love to see what the children are getting up to at home ☺

If your child requires minor first aid an email will be sent out via the medical tracker. Please ensure all information is kept up to date.

Please remember to check your children's drawers; each child has a named drawer in the yellow room!

### Family Board

We now have our family board up and running in the blue room, it would be lovely for everyone to contribute a picture to be able to see all of our different families, this has also helped with settling in. You can send your picture to your child's key person or via the honey pot email address if you are unable to print them off. We look forward to seeing them ☺

### Uniform

Honey Pot uniform is available to buy, please speak to a member of staff for an order form.

### Banana Allergy.

**Due to a child with a banana allergy we are a banana free setting. This includes products also containing banana to not be brought in, thank you ☺**

### Lunch and Snack

Children who stay for lunch can bring packed lunch but also have the option of a school dinner, which you need to pay for on pupil asset; a member of staff will collect this at lunchtime.

We ask all parents to provide a donation of healthy snack in the morning- a piece of fruit, breadsticks, crackers which all of the children will share out for our morning snack.

**Please remember to book your child's lunch on the days they are in. This needs to be done by 8:30. Any problems please speak to a member of staff or book at the school office.**

## Honey dog & Buzz the Bear

We would like to welcome back our friends Honey dog and Buzz the bear, your child will have the chance to take either Honey dog or Buzz the Bear home for an adventure. Honey dog goes home with children who are going to school and Buzz goes home with our younger children, we provide a book for you to write in and put photos in (again if unable to print please send them to the honeypot email or your child's key person) **Please make sure to write in the book as we read this at group time** 😊.

Honey dog and Buzz the bear come with belongings so please make sure that they bring everything back so they are ready every time they go on an adventure. **EVERYONE will get a turn.**

## Staff

If you have a question about your child, please email their key person or you can arrange for a chat at the end of the session. All new children will have got a letter to say who their key person is, if you are unsure whom your child's key person is then please ask Kate or Beth, your child's key person will email you shortly with an overview of how their first week has been.
