

# En ville

phonics

- é sounds in: • supermarché
- è • bibliothèque
- eau • beaucoup

**silent letters** There are many last consonant silent letters in French. For example, the final letter 's' is silent in the word 'près'. The 't' is silent in 'droit'.

**guttural 'r'** The 'r' sound in French is guttural from the back of the throat like in the words 'gare' and 'supermarché'.

vocabulary

10 key places in a town in French

5 key directional instructions in French

grammar

To use prepositions in French to give the precise location of one place in relation to another place in a town:

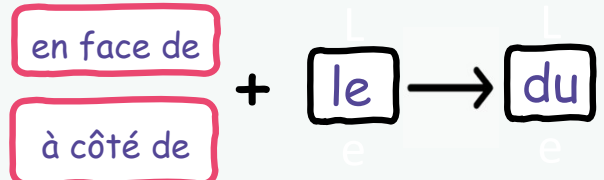

**Le supermarché est à côté de la gare.**

*The supermarket is next to the station.*

**La gare est en face de l'hôpital.**

*The train station is opposite the hospital.*

To understand the precise rules of prepositions:

## What I will learn:

- Objective 1: I will improve my range of vocabulary by learning 10 key places in a town in French along with their respective definite articles/determiners.
- Objective 2: I will learn how to follow 5 different directional instructions in French.
- Objective 3: I will learn how to ask where a place is and be able to understand and give a description of relative distance (nearby/far away) in French.
- Objective 4: I will learn how to use prepositions in French to give the precise location of one place in relation to another place.
- Objective 5: I will use transactional language to conduct a complete dialogue in French about where places are in a town.
