The disco made less profit due to an increase in DJs charges. The cake sales profit is also down and the money already raised is still awaiting to be spent by the school council. EB will chase JG to see if the school has been able to apply for any available grants/funding on offer.

(4) AB has sent a proposal to Co-op for a contribution towards saving the pirate ship. The decision is pending and should be announced in April. KM will look into the Tecso and Community fund to see if any help is available. EB/JB will speak to school staff to see how they could be spending the money and stress the importance of putting in invoices etc.
